**Davis Creative Director Cheryl Patrick Chosen
As One of Four Featured Artists at the
March 18, 2010 Annual Soup for the Soul Event**

Past Featured Artists Include Renown Photographer John Fielder

Denver, CO – March 12, 2010 – Davis Branding and Marketing announced today that Cheryl Patrick, Creative Director, was selected as one of four featured artists who will be exhibiting her work at the Annual Soup for the Soul event, sponsored by Centura Health's Porter Hospice and St. Anthony Hospice. The 10th annual fundraising event is a unique opportunity for guests to sample gourmet soups and appetizers from many of Denver's finest restaurants, and bid on art by local and national artists that are available during a silent auction. All proceeds benefit Porter Hospice and St. Anthony Hospice.

2009 was the first year the committee selected featured artists to highlight at Soup for the Soul. The four selected artists were John Fielder, Linda Bandt-Law, Rita Derjue and Lane Dukart.

This year, the featured artists are Cheryl Patrick, Jan Klimper, Ramsay Stabler and Julie Vincelette. Cheryl will be selling collaged encaustic wax paintings in which she combines line drawings with cut paper. Her passion for vintage objects, including old maps, newspaper ads, cookbooks and children's books can be seen as an influence in her creations.
